All, Here are my drafts.

1. Please see the draft Agenda to brief Pam (p.1) and the Agenda for the Congressional Briefing (p.2). Feel free to send me comments, call or come by.
2. Also, I had already sent the draft ppt with a couple of questions. I'm reattaching again.
  - Q1. Are the maps/pics ok to use? (some say enforcement confidential).
  - Q2. Do we have a pic to illustrate advancement in the proper storage being done? (this is an accomplishment, it'd be nice to have a pic)
  - Q3. Do you want to include a couple of bullets on NEXT STEPS (see slide 5).Any other comments?
